ANU KUMARI HAJAM

BCA Student | Web Developer | .NET Developer | Aspiring UI/UX Designer

Kathmandu, Nepal • GitHub • LinkedIn

CAREER OBJECTIVE

Motivated BCA student with a foundation in web development (PHP, MySQL, JavaScript) and .NET (C#, ASP.NET Core MVC), and a growing focus on UI/UX design. Skilled in Figma, including components, variants, Auto Layout, wireframing and prototyping, with a strong eye for colour, typography, spacing, and visual hierarchy. Experienced in designing and building clean, responsive, user-centred interfaces through academic projects, and eager to collaborate with designers and developers to build meaningful digital experiences.

TECHNICAL SKILLS

- **Programming:** JavaScript, PHP, C Programming, Java, C#
- **Backend:** .NET, ASP.NET Core MVC, Entity Framework Core
- **Frontend & Database:** HTML, CSS, Bootstrap; PostgreSQL, MySQL
- **Tools:** Visual Studio, VS Code, WordPress, Git/GitHub, MATLAB, Dev-C++, Turbo C, NetBeans

DESIGN SKILLS

- **Design Tools:** Figma (Auto Layout, components, variants, grids, wireframing, prototyping); familiar with Adobe Photoshop & Illustrator
- **UI/UX Fundamentals:** Wireframes, prototypes, user flows, responsive design, layout hierarchy, spacing, typography
- **Visual Design:** Colour theory, typography, hierarchy, effects (blur, shadows, glass morphism), contrast basics
- **Approach:** Attention to detail, consistency, and clear structure across screens; strong communication and teamwork
- **Figma Work:** Landing page and portfolio page designs created while learning UI/UX design
- **Creative:** Video editing with CapCut; familiar with Adobe Illustrator and Photoshop

PROJECTS

Beauty Parlour Management System — UI/UX Design & Development — *Figma, PHP, MySQL, Bootstrap*

- Designed low-fidelity wireframes in Figma for the Home page, Book Appointment flow, and Admin Dashboard before development, structuring the booking flow and admin navigation.
- Built the customer site and admin panel from the wireframes using PHP, MySQL, HTML, CSS, JavaScript and Bootstrap: role-based login, CRUD, enquiries, invoices, reports and search.
- Designed the booking and payment journey (service summary, date and time, Pay at Parlour, eSewa and Khalti sandbox), booking and invoice history, and customer-to-admin chat.

Bloomify — Flower E-Commerce Website — *PHP, MySQL, UI Design*

- Designed and built the complete responsive UI, including homepage, product listings, product details, cart, Wishlist, login/register, and checkout flow.
- Established a consistent visual identity — colour palette, typography, and card-based layouts — across every screen.
- Designed a clear post-purchase experience with order confirmation and payment status tracking.

EDUCATION

Bachelor of Computer Application (BCA) — Saraswati Multiple Campus, Thamel | 2023 – Present

+2 Science — Siddartha Vanasthali Institute | GPA: 2.82

SEE — AVM Secondary School | GPA: 3.90

SOFT SKILLS & LANGUAGES

Problem Solving • Teamwork • Communication • Adaptability | Nepali • English • Hindi • Bhojpuri • Maithili
